Mobile No: +91 9965160679

Email Id: baskarkiruthika111@gmail.com

Objective

Seeking an opportunity in industry that allows me to apply my knowledge, learn new skills, and contribute to impactful solutions.

Education

B.E - ECE KSR Institute for Engineering and Technology CGPA - 7.9 up to 6th sem 2021-2025

HSC with 88% 2020- 2021.

SSLC with 84% 2018 - 2019.

Project

DEEP LEARNING MODEL TO PREDICT CYBER ATTACKS

Developing a secured deep learning model for prediction of cyberattacks in computer networks. The model is developed by using the cnn algorithm with high accuracy.

PORTFOLIO

Developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase academic achievements, projects, technical skills, and certifications. The website includes a dark mode toggle, contact form functionality, and well-structured content sections to enhance presentation and user experience.

E-COMMERCE WEBSITE

Developed an E-Commerce website for perfume by using basic concepts of HTML and CSS.

Internship

NEURAAI SOLUTIONS PRIVATE LIMITED | JUNE 2023 - JULY 2023

I have to learn How to develop an AI model, work on the Machine Learning and Deep Learning algorithms and also python libraries such as numpy,pandas,seaborn,keras,etc.. There I can improve my knowledge on python and AI.

Tools Used: Jupyter Notebook,Google Collab.

Technical Skills

- **Programming Languages:** I am proficient in programming languages such as Python and Java.
- **Frontend:** I have experience in frontend development using HTML and CSS.
- **AI:** I have a solid understanding of Artificial Intelligence, including Machine Learning, Deep Learning algorithms, and Neural Networks.

Certifications

- Introduction to Machine Learning - AWS
- Machine Learning Terminology and Process - AWS
- Cybersecurity Analyst and Job Simulation - Forage
- Fundamentals of Python - Coursera

Achievements

- Won the “Best Paper Award “ in the International conference for early brain stroke prediction using machine learning techniques based on AI Presented at Mahendra institute of Technology,Namakkal.
- I have earned a three-star rating in Python on HackerRank, demonstrating my proficiency in the language

Soft Skills

- Enthusiast to learning
- Flexible and Collaborative to work
- Adapt to Technology

Area of Interest

- Web development
- AI & ML
